

RE: COVID-19 - Message from Wiseworth Canada

Dear Customers,

The COVID-19 pandemic has created challenges for many families and companies. We at Wiseworth Canada are doing everything possible to protect the health and safety of our employees, customers and communities, while we continue to operate.

As a service provider to our many customers in the medical, utilities and manufacturing industries of British Columbia and the Yukon, we remain open to supply equipment, parts and service. Our objective is to ensure your facilities remain operational to provide services and/or products during this unprecedented time.

In accordance with the Ministry of Health and Center for Disease Control we have implemented the recommended precautions to prevent the spread of COVID-19.

All Wiseworth employees have been asked to:

- 1. Self-monitor their health status**
- 2. Self-Isolate for 14 days if they travel out of country**
- 3. Isolate if they have symptoms and contact the public health authority**
- 4. Avoid non-essential travel**
- 5. Avoid crowded places**
- 6. Maintain proper hygiene**
- 7. Sanitize work spaces**
- 8. Maintain physical distancing (2m) at all times**
- 9. Work from home if possible**
- 10. Access work sites via approved entry points to service equipment and avoid customer personnel**

We will adhere to Work Safe BC practices at all times as we respond to your needs in a timely manner.

With your continued support, we will overcome this crisis as we work our way back to normal and safe business activity.

We thank you for your cooperation and your business.

**Sincerely,
Vince Piccolo, P. Eng.
President**
