

Two- Stage Electric Duplex Reciprocating Air Compressor 2-25 hp

Our duplex reciprocating air compressors offer two individual compressor pumps and two motors mounted on a single tank, providing 100% built-in backup or additional air power for those larger capacity jobs. The Duplex is ideal in applications where available power does not allow for a single larger compressor. The latest generation of Ingersoll Rand duplex reciprocating compressors has the legendary Type 30 pump with value added features in a space saving design suitable for those tight spaces.

Features

- **Long-Life:** Durable cast iron construction, long-lasting extended pump life designed for over 15,000 hours of trouble-free use
- **Flexible, Compact Design:** 100% continuous duty with automatic duplexing or alternating of compressors, ideal for applications where space is at a premium
- **Easy to Service:** Individually cast cylinders, overhung crankshaft and one piece connecting rod simplifies maintenance and service
- **Reliable Operation:** All SeasonSelect synthetic lubricant increases efficiency; with 2,000 hours of service between changeouts, it performs four times longer than petroleum-based lubricants
- **Two-Year Warranty Available:** Purchase an All-SeasonSelect lubricant start-up kit, and receive all the parts you need for start-up and the first year of maintenance, along with an extended pump warranty
- **Available Feature Packages (5, 7.5, 10 hp)**

Value Package: Includes 100% cast iron pump, ASME-coded receiver tank, ODP motor, magnetic motor starter, automatic start/stop

control with pressure switch, oil sight glass (10 hp only) and manual drain

Value Plus Package: Includes all Value Package features along with upgraded electric drain and air-cooled aftercooler

Premium Package: Includes all Value Plus Package features along with low oil level switch and upgraded dual control with centrifugal unloader (10 hp only)

About Ingersoll Rand Inc. Ingersoll Rand Inc. (NYSE:IR) driven by an entrepreneurial spirit and ownership mindset, is dedicated to helping make life better for our employees, customers and communities. Customers lean on us for our technology-driven excellence in mission-critical flow creation and industrial solutions across 40+ respected brands where our products and services excel in the most complex and harsh conditions.
